

## Product Warranty Statement

Thank you for choosing a Westlab product. Please read all warranty and maintenance documentation.

<b>Product Code</b>	663-539C
<b>Description</b>	Microscope Research, Trinocular Compound
<b>Warranty Period</b>	24 Months

Westlab warrants that this product will be free of defects in material and workmanship for a period of twenty-four (24) months from the date of purchase.

Request for warranty is to be in writing and state model, date of installation, serial number, and the reason for application for warranty claim.

This warranty will only apply if:

- the purchaser provides proof of the date of purchase;
- the product has been installed, operated, and maintained in accordance with Westlab's instructions. If in doubt, contact Westlab for details; and
- the product has not been sold, leased, licensed, or otherwise disposed of by the original retail customer.

### Warranty Exclusions

- The rental of another machine or related equipment while unit repairs are in progress.
- The labour and parts for mechanical adjustments which are made or should be made as standard preventative maintenance or calibration procedures.
- The replacement of normal maintenance parts made in connection with normal preventative maintenance services as opposed to manufacturing defects.
- Any defect caused by alteration, modification, fitment of a non-genuine part or attachment not approved by Westlab.
- Any defect caused by misuse, negligence, accidents, or failure to carry out proper maintenance procedures.
- Any defect caused by work carried out by persons other than a person authorised to do so by Westlab.
- Damage caused by continued operation of the machine after it is known to be defective.
- Freight and insurance costs for the recall of the machine or equipment to Westlab and the subsequent return to the purchaser.
- Technician travelling costs to and from site if any on site repairs are required.
